Right after the section “APPEALS FOR SAP DISMISSAL”, there should be a section “EXTENDED ENROLLMENT STATUS” that reads:

EXTENDED ENROLLMENT STATUS

Students who have been dismissed for failure to maintain the academic minimums outlined above may apply to the Academic Excellence Committee (through the Registrar) to continue their studies in an extended enrollment status (which may not exceed the equivalent of one evaluation period). During such time, a student is not eligible to receive federal or state financial aid grants or loans. Student must attempt to improve the deficient areas that led to dismissal by retaking courses that were failed to reestablish satisfactory progress. Students will be responsible for payment of tuition and fees on a prorated per course basis. Grades earned during an “extended enrollment status” (discussed later in this section) will replace previous failing grades for purposes of calculating a student’s cumulative grade point average. However, all course grades will be considered credit hours attempted for purposes of determining successful course completion percentages.

At the completion of the extended enrollment status period, a student who has established satisfactory progress, according to the above tables, may apply to the Registrar’s Office to return to the regular student status and reinstate his/her eligibility for financial aid. The Committee for Academic Excellence may require the student to be present during its deliberation to determine both the student’s academic ability and his/her desire to successfully continue in the program. If reinstatement is granted, the student’s academic progress is closely monitored.

Student will also be required to adhere to AE committee stipulations in addition to those printed in the school catalog that are in effect on the date of reinstatement. Failure to do the foregoing will result in dismissal without further recourse.
