

# ADDENDUM

**PAGE 116**

## **COURSE DESCRIPTIONS - DIVISION OF HEALTH DISCIPLINES**

**Effective July 12, 2017**, course MED220 should read as follows:

**MED220**

**3 CREDITS**

### **MEDICAL EMERGENCIES FOR HEALTH PROVIDERS**

This course combines BLS (Basic Life Support) with basic first aid skills. General first aid principles, medical emergencies, injury emergencies and environmental emergencies are covered.

Successful completion of course requirements by the American Heart Association includes meeting the requirements for BLS Certification.

*Prerequisite: BIO105 or BIO115*
